

Junior Golf Financial Aid Information

Thank you for your inquiry regarding our youth scholarship program for Everett Junior Golfers. The City of Everett Parks and Recreation Department believes that access to a full range of recreational opportunities is essential to every child's well being. To help ensure that, we offer scholarships to financially needy youth through the Joe Richer Golf Club to help subsidize their registration and green fees for Everett's Junior Golf Program.

Enclosed is a scholarship form. Please take a moment and fill it out. You will notice that we ask for a copy of your child's *current* free or reduced school lunch approval letter. This letter helps us determine eligibility for financial aid. *If you do not have such a letter, please include any documentation that may help us determine your income level* (a copy of the most current year's income tax return, current copies of any assistance checks that you may receive, etc.).

All financial aid requests will be kept confidential, but we may contact you for more information.

Please return your application form to:
