Joe Richer Memorial Golf Tournament

Over the course of his many years in Everett, Joe Richer became an important part of the local community. Joe was born and raised in Everett, and attended Everett High School in the early 1960s.

He then attended Western Washington University, where he was the captain of the basketball team and an All-American golfer. After graduating, Joe eventually returned to Everett to become a teacher, and later a counselor, at Everett High School.

While at Everett High, Joe coached boys golf for 28 years. During this time, Joe led the team to nine WESCO titles, seven district tournaments, and six state tournaments. Joe also coached boys basketball from 1973-1984, leading the team to four WESCO championships, two district championships, three regional championships, and three state tournament appearances, including a second-place finish in 1975 and a third-place finish in 1982.
